Dear Mrs McGowan,

**REVIEW OF LEARNING DISABILITY NURSING NORTHERN IRELAND – STAFF
ENGAGEMENT EVENT**

I write to thank you for participating in the Review of Learning Disability Nursing Staff Engagement Event on 26th May and 2nd June 2021, and for giving such an interesting, informative and very personal presentation.

When planning our engagement events, we felt it was imperative to showcase local, national and international expertise and experience, and we were fortunate to have a wide range of speakers, such as yourself, participate in these events

Feedback from participants has been very positive. Your willingness to share your time, experience and Oliver's story was critical to the success of these events.

Once again, thank you very much for your participation and support of this important Review.

Yours sincerely,

Professor Charlotte McArdle
Chief Nursing Officer
